Islamic Art/Calligraphy Task

- **Task 1 – Choose one of the Allah's names and make a poster with the word written in Arabic and English.**

You can add pictures that are linked to the meaning of the word and get as creative as you want. Use paints, arts and craft material etc.

Example- Al-Khaliq means The Creator. You can draw the many creations of Allah Ta'alah (trees, plants sky etc.) or add things on. I have added an example.

- **Task 2 – Learn how to write your name in Arabic and in Urdu.**

Make a poster or a leaflet that tells people all about you. It must include vocabulary in Urdu and Arabic but also allowed English.

Example- write your age in Urdu numbers and your hair and eye colour in Arabic.

By the end of Term 3 (**25/07/20**) you should have completed both Islamic Art/Calligraphy Tasks.

Take a picture of your work and send it in an email to info@abuhurairah.org. Please write your name on the picture.

Jazakallah.
