## Islamic Art/Calligraphy Task

- **Task 1 – Choose one of the Allah’s names and make a poster with the word written in Arabic and English.**

You can add pictures that are linked to the meaning of the word and get as creative as you want. Use paints, arts and craft material etc.

**Example-** Al-Khaliq means The Creator. You can draw the many creations of Allah Ta’alah (trees, plants sky etc.) or add things on. I have added an example.

- **Task 2 – Learn how to write your name in Arabic and in Urdu.**

Make a poster or a leaflet that tells people all about you. It must include vocabulary in Urdu **and** Arabic and can include some English (2-3 words).

**Example-** write your age in Urdu numbers and your hair and eye colour in Arabic.

You should use online dictionaries or translators to translate any vocab that you don’t know. Don’t translate full sentences as online translators may translate with the wrong grammatical sentence order.

By the end of Term 3 (**25/07/20**) you should have completed both Islamic Art/Calligraphy Tasks.

Take a picture of your work and send it in an email to [info@abuhurairah.org](mailto:info@abuhurairah.org). Please write your name on the picture.  
Jazakallah.
